

Nurol Georgia (Sheraton Batumi Hotel) Batumi Representative Mr. Lütfü Bilgin, TAV Georgia Batumi Representative Mr. Ali Özgür Pehlivan and Turkish Airlines (THY) Batumi Representative Mr. Özgür Ağca paid a visit to the International Investors Association of Georgia. During the meeting, the parties discussed the global problems caused by the Corona virus pandemic and the sectors most affected by the Corona virus. They also discussed about the aviation industry challenges and the importance of restoring air traffic. The parties evaluated the impact of the Corona virus on international and local tourism. During the pandemic, "TAV Georgia" has continued to invest. "TAV Georgia" will invest 17 million dollars in the expansion project of Batumi International Airport. Infrastructure works of Batumi International Airport will be completed in 2021. After the expansion, Batumi International Airport will serve 1,200,000 passengers per year. Chairman of the International Investors Association of Georgia, Mr. Osman Çalışkan Mzhvanadze, thanked the visitors for visiting the association and holding the successful meeting. We hope that in the near future we will be able to defeat the virus and return to the normal rhythm of life. We wish you all good health.
