

Dear Ladies and Gentlemen,

Let us remind you that, International Investors Association of Georgia has implemented researches regarding the problems faced by Association member companies; the problems were analyzed and provided to the appropriate local and central public authorities ([Please, see the attached file of the problematic issues' list](#))

As a result, we would like to inform you that, the Georgian Government in co-operation with International Investors Association of Georgia has recently resolved 2 points of the problematic issues:

1. Present practice of imposing of penalty sanctions, size of penalties, which make great difficulties to companies [\(please, see the attached file\)](#) ;

2. Not accounting of losses between temporarily importing of fabric and accessories and exporting of ready garments caused in the process of sewing [\(please, see the attached file\)](#) .
