

On July 8, 2011, Chairman of the Government of Adjara Mr. Levan Varshalomidze met with the representatives of IIA member companies. The main purpose of Government of Adjara is the promotion of investors' activities and support of establishment of successful business, which is the guarantee of economic prosperity of Georgia-, noted Mr. Varshalomidze. Chairman of Government of Adjara also called investors to be more active. The important issues were discussed at the meeting, including the initiative of Businessmen delegation from Adana (Turkey) concerning the implementation of investments in the field of agriculture. The construction of International Financial Center and Agribusiness Center in Batumi City were discussed at the meeting as well. Mr. Levan Varshalomidze regularly holds meetings at International Investors Association.
