

In October, the reconstruction of Sputnik Hotel Batumi will be begun. Georgian and Turkish architects are working on the project. The Hotel was purchased by the “Delta Georgia Company” for 3.5 million USD in February of the current year. According to the information of HairullahGunal, the General Director of “Delta Georgia”, a two-story VIP hotel, casino, disco bar and health SPA fitness center will be added to “Sputnik” complex. The investment of 2-3 million USD will be implemented in total. “We can say that it will be the only complex in Batumi where families, teenagers and businessmen can relax and have fun”- was quoted as saying by HairullahGunal. There are 59 rooms in the complex which cost 100-280 Gel. Besides, there are 4 restaurants, conference hall, 2 bars and a swimming pool in the Hotel.
