

The first Charter flight has arrived from Europe in Batumi International Airport. The passengers were welcomed by the Representatives of TAV Georgia- The Operating Company of Batumi and Tbilisi International Airports and the Tourism Department of Ajara. The flights will be performed once a week, on Thursdays, in the coming months including September. For the entire period of summer, along with the tourist season, we expect the dramatic increase of flights in Batumi International Airport. Apart from the air-company OLT Express, other air-companies as well, such as: Sibir S7, ATA Airlines, Pegasus and Armavia will fly to Batumi during the summer.
