

The meeting was held between the association members...

Monday, 15 October 2012 18:21

On October 12 of the current year, the meeting was held between the investors association and its members. The representatives of the companies spoke about the new programs and initiatives, that the government`s new composition plans to present in the field of economy. The conversation was also focused on creation of better investment environment and business development in the country. International Investors Association and member companies are ready to cooperate with the future government.
