

Five-star “Leo Grand” hotel is opened in Batumi. The opening ceremony was attended by Georgian Prime Minister and officials of Ajara region - \$40 million of investment, 180 rooms and a world-class service. Government leader congratulated Batumi residents with the implementation of successful project and thanked the Turkish investor on behalf of the Government. Prime Minister welcomes the increase of investor's interest towards Batumi. "This is the second five-star hotel, which we have opened in Batumi. Few more hotels will be opened this year. The dynamics is optimistic, number of tourists is increasing and will continue to increase", - stated the Prime Minister. The upscale hotel contains the presidential suites, conference rooms, restaurant, club and spa center. 700 people are employed at the hotel.
