

Chairman of Ajara AR Government Archil Khabadze opened the 5th International Donor Conference Ajara – Cooperation for Growth. Representatives of Government Administration and Office of the State Minister of Georgia on European and Euro-Atlantic Integration also addressed the audience. International Conference takes place at Sheraton Batumi Hotel. The Conference is held for the fifth time and formed platform for annual meetings and discussions of Ajara AR Government, international organizations and diplomatic corps. The Conference brings together more than 100 representatives from 16 countries. Sectoral presentations presented the importance of ongoing and completed projects. Ongoing activities and those to be implemented were also reviewed. Sharing experience, deepening cooperation with foreign partners and presenting impulses of our region's future initiatives are the main objectives of the 5th International Donor Conference. International Investors association also attended at the Donor International Conference.
