

Mr. Osman Chalishkan Mzhavanadze, Chairman of the International Investors Association of Georgia, visited the family of seven socially vulnerable Abashidzes in the village of Khutsubani, Kobuleti Municipality. He gave food supplies to the family and toys to the children. The biggest problem of the family was that their children could not attend online classes because they did not have a phone and computer. Mr. Osman, gave them a tablet that made the children very happy and will provide them with a good education. He will also pay their internet service fee for 1 year. The Abashidze family thanked Chairman of the Georgian International Investors Association Mr. Osman Chalishkan Mzhavanadze for their visit and assistance.
