

On February 9, 2022, Osman Chalishkan Mzhavanadze, Chairmen of the DEİK/Türkiye-Georgia Business Council and International Investors Association of Georgia, attended the opening ceremony of the EMITT 2022 International Tourism Exhibition in Istanbul. The company Geonet Expo also participates in the mentioned exhibition together with the Department of Tourism and Resorts of Adjara Autonomous Republic. Events like this during a pandemic are very important because companies are given the opportunity to share their experiences and learn about new technologies. We would like to inform you that the tourist exhibition Expo Batumi 2022 will be held in Batumi on May 13-15 with the organization of Geonet Expo, we are waiting for you all.
