

On February 22, 2022, Mr. Chagatay Ulker, Director of Exim Yatirim Holding and Adjara Energy 2007, a member of the Georgian International Investors Association, visited Mr. Osman Chalishkan Mzhavanadze on his appointment and wished him success. The meeting focused on improving the business environment in Georgia and ways to attract new investments. Adjara Energy 2007 is building hydroelectric power plants in Georgia and implementing various projects in the energy sector of Georgia. Currently, the company has invested two hundred and forty million dollars, employs one hundred and twenty people and plans to invest three hundred million in Georgia in the future.
