

On September 14-25 of current year German Delegation will have been in Georgia. Delegation is consisting of 25 members from which 17 are journalists of central and regional television, radio and press, 4 – representatives of different funds and the rest – representatives of German Ministry of Economy. In bounds of visit visitors are introduced to political, cultural and economic environment of Georgia in order to introduce to other German citizens. On September 20-21 the delegation was in Batumi organized by International Investors Association. Journalist also visited BTM sewing factory, viewed Batumi Sights and had a boat ride in Batumi sea area. Such visits are very important and need to be implemented often in order to raise and promote country's image abroad and introduce ongoing trends in Georgia.
