

On February 3, 2011, Levan Varshalomidze, Chairman of Government of Adjara AR and Mr. Vazha Bolkvadze, Minister of Finance and Economy of Adjara AR met with investors in the International Investors Association of Georgia. The meeting addressed the problematic issues of the member companies of the association and other local companies and organizations. At the end of the meeting the chairman of the government expressed a desire to hold similar meetings every month to study and resolve above mentioned issues timely.
