

A new line of “BatumTex” Textile Factory is set in motion...

Tuesday, 22 February 2011 17:47

International Investors Association of Georgia's member Textile Company “Batumitex” works from 2000 and now expands the manufacture. A new line was installed and new jobs were created in the factory. New personnel will be soon added to old 750 ones and the clothes with new mark will be sold in England...
