

On March 23, 2011, Business Ombudsmen of Georgia, Mr. Giorgi Pertaia met with representatives of business companies and investors of the Ajara region at the conference hall of the International Investors Association of Georgia (IIA) . About 40 companies , mostly members of the IIA, were represented at the meeting, organized by the Association.
In a dialogue format, investors raised a number of proble
ms
that are affecting daily activities of the investors in Ajara
. A
mong them the issues of production, import and new tax code were broadly covered.
Business Ombudsmen Pertaia welcomed cooperation with investors and expressed readiness to further analyze outstanding problems
and
mediate with the Government of Georgi
a
, which in turn will improve effective operation of investors in the region and
the
investment climate
,
in general.
