

Georgian International Investors Association members took part in Groundbreaking official ceremony of Forum Batumi Trade Center. The first stone was put in by Georgian President Mikheil Saakashvili and the head of Autonomous Republic of Adjara Levan Varshalomidze. Trade Center will be constructed along new boulevard territory with 120 MLN US dollars investments which will be implemented by “Turk-Mall” Company. The contraction process will finish in 2 years and world level brands will be sold in it.
